

An update from Becca Thompson, serving with CFCI in Fresno, Mexico

Prayer Requests:

- Provision for my financial need—I need to raise about \$2,000 more a month than I'm raising now.
- For me in my new role as the church treasurer, especially for time to sit down with the last treasurer and to have things handed off well.
- For a smooth transition for the CFCI team as we welcome the Jones family back from an 8-month furlough at the end of March
 - For Monica & Farhid, who stopped coming to church during Christmas break.

Home in NY for Christmas with Heather, Josh & Cesar.

Riding an elephant with Meredith in Thailand in February.

The Past Few Months...

Although I have been hard at work, the past few months have been very fun and restful, as I've been travelling quite a bit. This year, I ended up taking most of my vacation time close together, starting with a trip home to Buffalo, NY to spend Christmas with my family. Thank you to those who were praying for Cesar, my boyfriend, to get his visa! He got it and was able to come with me to meet my family. We had a great time!!!

In January, we travelled as a team to a beach in Jalisco, MX for a team retreat! It was a week of rest and fun together. My favorite part was seeing the reactions of those on the trip who got to see the ocean for the first time!

Then in February, Meredith and I went to Thailand!!! It was such a fun time: so special and unforgettable! I'm grateful for the opportunity to have had these new experiences!!!

Financial Update

Thank you for your financial support! I am so thankful for your generosity!

For those of you not yet giving, I would like to ask: Would you consider supporting me financially in my ministry with CFCI? Would you think about giving a minimum of \$10 a month, or a one-time gift, if you are able?

For this ministry year (Aug. 1st 2011 to Jul. 31st 2012), I need

to raise about \$48,000. This number includes the cost of living expenses, ministry expenses, taxes, visa expenses, health insurance and other medical needs, salary, and transportation back to the States.

To meet this goal, I must raise \$4,000 a month. Currently, my monthly average is only about \$2,000, meaning I am only receiving about half of what I need to be raising.

It would really help to have more of you partner with me. Please think about it. Thank you!
